BLUEWATER GYMNASTICS CLUB

Fresh Gym for the Fresh Season Thank you Parents!

Bluewater Gymnastics Club is expanding it's staff members for the upcoming season. Now on board from left to right, are Recreational Director, Sue Valade, Office and Finance Manager, Melissa Bennett, and Executive Director, Rose-Ann Nathan; also pictured are Office and Finance Manager Taylor Dubs and Athletic Director Liz Brubaker.

We recently reached out to parents and members seeking help for our "Bluewater Gymnastics- Monday Makeover". We would like to thank everyone who came out and helped us with this transition. We have had so much positive feedback already and are excited to continue with Club enhancements.

What's Inside?

Volunteer Opportunities

Do YOU know BLUE?

- Aside from being our Club's Colours, blue is psychologically healthy for the Mind and Body
- Blue is known as a calming colour. This helps soothe athletes before training to allow them to focus on the sport.
- Blue is inspiring helping athletes yearn to reach their goals
- Blue is known as a productive colour to insure athletes and staff will be able to get the most out of their time in the gym.

Fundraising Tickets

Memo from Rose-Ann Nathan Executive Director

Thank you to those of you that have completed the survey, we have overwhelming support to continue the Blue Lottery Tickets Fundraiser and we are improving the prize board and logistics. Fun! Exciting!

Some of the lottery rules and procedures have changed with licensing for lotteries from the Gaming Commission (AGCO). One change is that you must have another option for your \$20 therefore we now have the 'foam cube donation fee' option which your \$20 would go towards purchasing 4 foam cubes for the gym to help keep up our replenishment of the cubes required. Since we have already collected your \$20 for the fundraising lottery you will have to notify the office by **September 14th** if you are changing **from** the 'Blue Lottery Tickets fundraising fee' **to the** 'foam cube donation fee'. This is an opt out procedure that must be in place for us to obtain our license.

Please email us at info@bluewatergymnastics.com to opt out if applicable. Otherwise you will be receiving tickets to **WIN! WIN! WIN!**

Note; Board Members are **not** able to win based on AGCO rules, you can sell your tickets to someone to support this important Lottery to our non-for-profit organization or you can choose the 'foam cube donation fee'

Process and Timing; We will then submit our license application which takes 2 weeks, then we need 2 days to print the tickets and then we will be distributing the tickets planned for the week of **October 15th**, our first draw will be on Halloween, **Wed October 31st**. We have the opportunity to enhance the lottery prizes so if you have any opportunities for obtaining prizes to donate towards the draw we would graciously accept them up to Friday September 21st at the office with Melissa. We also plan to include some Bluewater Gymnastics Club BRANDED sports clothing in the draws if we can get a sponsor in time! Let's have fun with this lottery, this lottery is very important to the club! We appreciate your support of the 'Blue Lottery Tickets fundraising fee' and some refresh of the draws will be happening! Stay tuned.

Thank you for your patience as we work through the changes of the Licensing for the lottery from AGCO through the City of Sarnia.
