# SEASONS GREETINGS

2020 is almost over, what a year!

As hard as it has been, and so full of unexpected changes in every aspect of our lives, I want to say Thank You!

From Bluewater Gymnastics, thank you for supporting the Club, thank you for trusting us with your child, and thank you for letting us be part of your family.

2020 was a difficult year, but there were also a lot of positive things happening, and a lot of opportunities to learn valuable lessons that made us grow and be better people.

We learned to live in the present, we learned to be flexible as things can change in a second, we learned to treasure what really matters and to be understanding with other people.

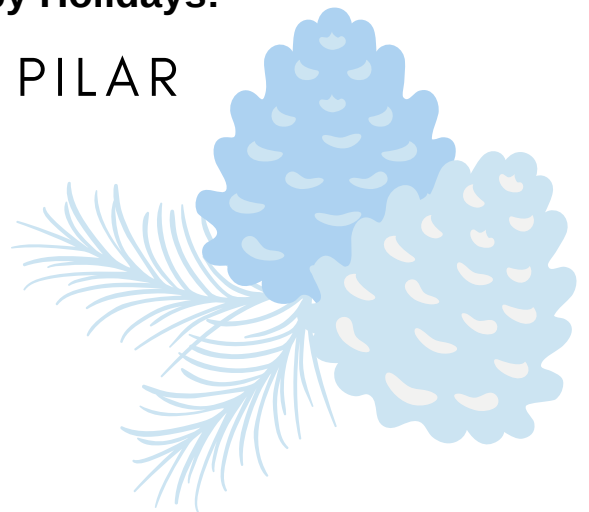

I'm very proud of everyone, for their resilience, dedication and hard work.

They amaze me every day and it is a pleasure working with the kids and staff!

That's one of my blessings.

Thank you again and Happy Holidays!

-HEAD COACH PILAR
