

# Bluewater Gymnastics

## 17th ANNUAL GOLF TOURNAMENT

### A WORD FROM A MEMBER AND COACH

"My sister and I have been members of the Bluewater Gymnastics Club since starting in Gym Tots. We both grew up in the program and continued on to coach. My favourite thing about Coaching is watching the look in the kids eyes when they master a skill, it's truly inspiring"

- Ella Sottosanti

We are so proud to have Ella as part of our team here at Bluewater Gymnastics. Along side our coaches, Ella truly embodies our vision at Bluewater; helping spread the love and passion of the sport of gymnastics, while instill life long lessons and values within each athlete. By participating in this Golf Tournament, you, along side Ella have also helped us share and expand our mission in sport. Thank you.

## *A Message from the Conveners*

Carol D'Andrea and Paula Cassin want to thank all of the golfers, sponsors, advertisers and donors on behalf of the entire Bluewater Gymnastics Club organization for coming out and supporting our 17th Annual Golf Event on Friday September 7th, 2018 at Sawmill Creek Golf Resort. Our thanks to our Major Event sponsor this year: London Road Shopping Centre.

Fantastic donor support allowed for many great hole and door prizes and a spectacular golf prize table. Mainstreet Credit Union made one lucky golfer very happy with the Trip for Two to Vegas, and the 50-50 draw at \$490 prize value was a fun new addition to our prize draw lineup.

We will make good use of all funds generated as we continue to develop our programs and upgrade our equipment and facility.

Thanks also to Mr. Bob Dubs of BELFOR Property Restoration for his PuttOff Challenge again this year. Our finalist did a great job and won the \$250.00 consolation prize.

## *Executive Director Announcement*

Welcome to our new Executive Director Rose-Ann Nathan who has over 20 years of experience leading mission-centric organizations building and advancing programs and driving organizational growth. Rose-Ann has over 10 years leading two fitness clubs and has held positions in wellness and service and program organizations. Rose-Ann comes to us with an impressive resume which includes having been the Executive COO of business development with Tempur-Pedic, the internationally recognized mattress leaders, known for improving the overall quality and comfort of sleep.

Rose-Ann has her MBA from the Richard Ivey School of Business as well as Marketing and Recreational Leadership diplomas. Rose-Ann leads by example through consistent stewardship ensuring a culture of respect, integrity, positivity, flexibility, engagement, and an overall sense and feeling of community and teamwork that creates fulfillment for members, participants, parents, coaches and staff.

Our not-for-profit club has been growing and that's a reflection of the increased interest in and appreciation of gymnastics as a core foundational sport for young children aged 18 months and up.

Our full time, part-time and volunteer staff has also been growing to meet the needs of our community and to allow us to continue to deliver top quality recreational and competitive programs. Rose-Ann brings to Bluewater Gymnastics her vast business and organizational experience which will enhance and support our team of outstanding staff and coaches.

Rose-Ann will be expanding our sponsorship, fund development and stewardship with our donors.

Volunteer Board of Directors
